Manuals and Guides | Nissan USA

2016 Nissan Altima Car has had trouble since it was purchased with brakes squeaking under 5k miles, ac not blowing air at proper temp and dealer unwilling to fix problem. Would not recommend Nissan to anyone since it seems they are prone to issues which are known by the company itself.

2016 Nissan Maxima | Owner's Manual | Nissan USA

My 2016 Nissan Altima with CVT. Started accelerating on it's own and my tachometer fluctuates a lot during driving; causing my car to "buck" and accelerate/decelerate. And when I come to a stop, it won't accelerate at all, then out of nowhere it will shoot up in RPM and MPH causing instant acceleration like I had the gas all the way down.
