The Beginner's Guide to Picking the Perfect Bicycle

One of the best things you can do when shopping, in general, is to try out a product and see if you like it before you commit to buying it. Buying a bike is no different. If possible, ask the bike store owner if you could take it out for a test drive in their parking lot to see if you like how it drives.

A Beginner's Guide To Buying A Bike - Society19

Summer is pretty much the biggest season for new bike buying. That much is hardly surprising - the evenings are lighter, days are brighter, and that means people are suddenly more inclined to get out on their bikes. The average new bike buyer spends a couple of months pondering over which machine to go for, and we completely understand why.
