A Rose in the Twilight Walk-through/Guide: Pt-1 Dungeon (All Blood Memories)

A mysterious rose is attached to her waist, capable of absorbing the color red and expelling it into the castle; by default, almost the entire castle is in greyscale, with only the red splashes from the rose and other objects resuming time or giving life to objects. Rose soon finds a giant creature.

A Rose in the Twilight - Wikipedia

the Girl Offers Blood A Rose in the Twilight is a puzzle platformer game. The main character, Rose, awakens in an ancient castle void of color and time. The player must utilize both Rose's ability to control blood and time, Thorn Power, and the super strength of the giant she meets along her journey.

A Rose in the Twilight Official Website

In A Rose in the Twilight, use Rose's power to absorb blood and transfer it to static objects. By doing so, colorless objects become red and regain the essence of time. You will also need to make use of the giant's super strength by lifting and throwing objects to clear your path. Every stage is a puzzle waiting to be pieced together.
