Brian Redman: Daring drivers, deadly tracks: Redman, Brian ...

Brian Redman is a survivor of the deadliest era of motor racing. Today he is one of the great gentlemen of vintage racing and has done much to preserve and present the cars and drivers of the "classic" era. This book is another contribution to that effort. The book is beautifully illustrated with many rarely-seen photos.

Brian Redman: Daring drivers, deadly tracks by Brian Redman

Brian Redman is one of very few notable British racing drivers whose racing life has yet to be put on record in book form. Now that is about to be rectified. Packed with photographs, Redman's memoir is a vivid account of his varied racing exploits, with special focus on the period when he won major sports car races in Ford GT40s, Porsche 908s and 917s, and Ferrari 312PBs, and also became North American Formula 5000 champion three years running.

Daring Drivers, Deadly Tracks - Brian Redman Book

A frightening period when drivers regularly perished, so I am thankful Mr Redman survived to be able to provide these recollections. It is interesting to compare the in-person experiences of a competitor with literary giants who compile histories based on eye-witness interviews. That is not to say one style is better than the other.
