Chapter 4, Problem 1 : 1. Use a general equilibrium depiction of trade... 1. Use a general equilibrium depiction of trade equilibrium in the HO model to prove that complete specialization in the production of exports will, in general, lower the standard of living of an economy relative to that found in free trade.

Chapter 4, Problem 1 : 1. Use a general equilibrium ...

Section 1 introduces the idea of partial equilibrium. Section 2 looks at how we aggregate agent's demand curves and firm's supply curves to form market demand and market supply. Section 3 defines an equilibrium, and discusses basic properties thereof. Section 4 looks at short-run equilibrium, where entry and exit are not possible.

Partial Equilibrium: Positive Analysis

ABSTRACT This paper introduces the theoretical framework and data inputs of a basic partial equilibrium model of how an industry's import volumes, domestic shipments, and prices would change in response to a change in trade policy. We start with an overview of economic models used to estimate the effects of tariffs and quotas on imports.
