Children of the Dust Bowl the migrants with a safe space in which to retire from the discrimination that plagued them and in which to practice their culture and rekindle a sense of community. Although each camp had a small staff of administrators, much of the responsibility for daily operations and governance devolved to the campers themselves.

### Children of the Dust Bowl

Again and again, the survivors interviewed in Dust Bowl remind us that they witnessed the hard times on the Plains as children, knowing nothing but "a brown world," as one puts it, and trying, as best they could, to make sense of the overwhelming hardship, grief, and courage that surrounded them. Adult anxieties linger at the edges of their memories—failed crops, repossessions, the possibility of starvation, the shame of relief, the escape of suicide—but those weren't the kinds of ...
