The use of force in a dangerous world demands adherence to a doctrine of restraint-the cool, calm and collected manipulation of power for collective security-and the sophisticated mixture of diplomacy with that power.

### **Crisis Diplomacy | Foreign Affairs**

A great power is a sovereign state that is recognized as having the ability and expertise to exert its influence on a global scale. Great powers characteristically possess military and economic strength, as well as diplomatic and soft power influence, which may cause middle or small powers to consider the great powers' opinions before taking actions of their own.
