He was often referred to as the 'Father of India's nuclear program. Raja Ramanna received the Shanti Swarup Bhatnagar Prize for Science and Technology in 1963, Padma Vibhushan in 1975, Padma Shri in 1968 and Padma Bhushan in 1973. He was also appointed as the Union Minister of Defence in 1990.

Achievements of Indians in science & technology

Rivers worldwide are now acting as major transport pathways for plastic pollution and discharge large quantities of waste into the ocean. Previous oceanographic modelling and current drifter data have been used to predict the movement and accumulation of plastic pollution in the marine environment, but our understanding of the transport and fate through riparian systems is still largely unknown.

This structure is not dramas or music etc. uncommon in remote and hilly areas. It is in such regions where education facilities, including the school building itself, are missing or totally inadequate. Seating is indicated in the plan merely to show how the group can either be taught (or act) collectively or be separated into 3 or 4 classes.
