### David Lynch The Art Life

David Lynch the Art Life infuses Lynch's own art, music and early films, shining a light into the dark corners of his unique world, giving audiences a better understanding of the man and the artist. As Lynch states "I think every time you do something, like a painting or whatever, you go with ideas and sometimes the past can conjure those ideas and color them, even if they're new ideas, the past colors them."

### David Lynch: The Art Life (2016) - IMDb

David Lynch: The Art Life offers a look at the director's life and craft whose unusual approach is in keeping with its subject's singularly strange aesthetic. 91% TOMATOMETER

### David Lynch: The Art Life (2017) - Rotten Tomatoes

The Art Life is about both his life story and his journey as an artist, mostly as a painter. You get some glimpses of his early film school work towards the end, but this is exclusively about his creative process and his life. That being said, it's fascinating and provides some great insight into one of Hollywood's most interesting people.
