Death Scenes A

These are old-school scene-of-death photos from the 30's-50's collected by a former Los Angeles Homicide Detective. The guy had his own scrapbook. All photos are in black & white and are very graphic. Most photos are of murder scenes. Some are suicides and accidents. A few are also of unusual physical diseases.

A homicide detective and a crime scene investigator are often thought of as one profession. The media, TV, and movies often portray a crime scene where a detective takes a pen out of his pocket and starts poking around the body. You'll see them lifting a piece of key evidence while there are some other people with cameras and measuring tools all
