Reviewed in the United States on October 18, 2016. Depression is a liar, by Danny Baker I have to say was an amazing book. Depression is something serious, and has been for years. In recent years, we've advanced in medicine and technology in a way that you can treat depression. In my opinion, this book was like a roller coaster, in one section Danny would slowly have faith and would feel better, but then all of a sudden, it all turned around.
