talent to help us win. This requires leaders to know those they lead, to understand them, and to place the care of their subordinates at the forefront of all that they do. This means leaders must tolerate risk and accept honest mistakes . as a natural part of leader development. Micro-management and

Director Leadership The Army Leadership Code An ...

Successful leadership in battle, although complex and intangible, always seemed to me to depend on two factors. Firstly, soldiers must have confidence in their leaders' professional ability and, secondly, they must trust them as men. It helps, too, if a leader has the reputation of being lucky. Sydney Jary MC 18 Platoon (1987). Leadership and ...
