### Welfare state | Britannica

Beveridge's Welfare State was the first officially proposed, fully integrated system of welfare (although the name was by then a decade old). This reform was to be targeted. Beveridge identified five "giants on the road to reconstruction" that would have to be beaten: poverty, disease, ignorance, squalor, and idleness.

### The Creation of Britain's Welfare State

Advocates of the 21st century welfare state break beyond the traditional welfare state model in six critical ways: (a)Risk and innovation. They argue that imperfections of risk markets may dampen the ability and willingness of individuals to undertake risky investments, including in innovation. Thus, the welfare state not only leads to better outcomes within a conventional static framework, but also to a more dynamic and innovative economy (Stiglitz 2016b).
