10 Frayer Model Word Document | BestTemplates

A Frayer Model is a specific type of graphic organizer. It was originally created in 1969, but with the widespread use of graphic organizers in the classroom, it is still widely used today. Most people are familiar with using this type of organizer for learning vocabulary words, but it can be used for more than that.

Frayer Model Template & Examples | Activity Suggestions

The purpose of the Frayer Model (Frayer, 1969; Buehl, 2001) is to identify and define unfamiliar concepts and vocabulary. Students define a concept/word/term, describe its essential characteristics, provide examples of the idea and suggest non examples of the idea (knowing what a concept isn't helps define what it is).
