Good Laboratory Practice Training Manual

This manual provides resource material for good laboratory practice (GLP) training. It is based on the Organisation for Economic Cooperation and Development (OECD) principles of good laboratory practice (GLP), which are recognized as the international standard for GLP. The manual is designed to be used by the trainee at TDR-GLP training workshops. It contains an introduction which highlights the history of the OECD principles of GLP, and the fundamental points.

TDR | Good laboratory practice training manual: Trainee
