Ideas in Psychoanalysis: Sadomasochism by Estela V. Weldon

Sadomasochism is the giving and receiving of pleasure from acts involving the receipt or infliction of pain or humiliation. Practitioners of sadomasochism may seek sexual gratification from their acts. While the terms sadist and masochist refer respectively to one who enjoys giving and receiving pain, practitioners of sadomasochism may switch between activity and passivity. The abbreviation S&M is often used for Sadomasochism, although practitioners themselves normally remove the ampersand and u
