Landprints : the landscape designs of Bernard Trainor ...

Most landscape design blueprints include a space for a deck or patio. Usually these butt up against the house. Your plan must accommodate for your deck or patio. While deck and patio design is another topic altogether (you need separate blueprints for this), it needs to be visually represented in your landscape design blueprint.

Landscape Architect Round-Up - 1stdibs Introspective

The garden spans more than 1,000 acres and encapsulates the essence of a Baroque-era landscape in the French formal style. French garden design in the 17th century asserted the idea of man controlling and manipulating nature, and together with the enormous price tags that ensued, they imparted an important message of monarchical power and taste. 6.
