# Download File PDF Let Them Eat Prozac The Unhealthy Relationship Between The Pharmaceutical Industry And Depression

Let Them Eat Prozac clearly demonstrates that the problems go much deeper than a side-effect of a particular drug. The pharmaceutical industry would like us to believe that SSRIs can safely treat depression, anxiety, and a host of other mental problems. But, as Let Them Eat Prozac reveals, this “cure” may be worse than the disease.

## **Let Them Eat Prozac: The Unhealthy Relationship Between ...**

"Let them eat cake" is the traditional translation of the French phrase "Qu'ils mangent de la brioche", spoken in the 17th or 18th century by "a great princess" upon learning that the peasants had no bread. This phrase is more accurately translated as "Let them eat brioche", as the original French phrase contains no mention of cake (gâteau).
