Marx and Weber's views start to differ when it comes to stratification. Weber introduced the idea of 'status groups' which differ from classes due to them being based around communities. The Weberian view is that all societies can be divided into these 'status groups'.

## **Karl Marx and Max Weber - UKessays.com**

Durkheim believed that societies are held together by shared values, which change over time as societies become bigger and more complex. Max Weber (1864-1920) was a German sociologist who agreed with Marx that people often fight to protect their own interests, but he agreed with Durkheim that what people consider their interests often are determined by socialization and shared values.
