Project Gutenberg is a wonderful source of free ebooks - particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.

Microeconomia

Microeconomics (from Greek prefix mikro- meaning "small" + economics) is a branch of economics that studies the behavior of individuals and firms in making decisions regarding the allocation of scarce resources and the interactions among these individuals and firms.

Microeconomics - Wikipedia

Microeconomics is all about how individual actors make decisions. Learn how supply and demand determine prices, how companies think about competition, and more! We hit the traditional topics from a college-level microeconomics course.

Microeconomia

A Microeconomia é considerada a base da moderna teoria econômica, estudando suas relações fundamentais. As famílias são consideradas fornecedores de trabalho e capital, e demandantes de bens de consumo. As firmas são consideradas demandantes de trabalho e fatores de produção e fornecedoras de produtos.
