Inspired by the spartan aesthetic of Japan's traditional Zen Buddhism, the minimalist movement goes against modern consumerism, keeping life simple and uncluttered by adhering to the bare essentials. Japanese aesthetics evolved around clean and uncluttered living, holding tightly to balance, ancient customs and a love for natural beauty.

## The Art of Less is More: Japanese Minimalism and its ...

Minimalism is often associated with Japanese traditional Zen-style design. Zen style arts and design focuses on eliminating any unnecessary frills or decors. These arts are often described as aesthetics of subtraction, because they let boundless beauty and abundance emerge from less, rather than from more. Enormous creative power is poured into identifying and removing everything unnecessary, whether it's element, dimension, shape, size, space, amount, or color.

The movement is most prominent in Japan, where the influence of Zen Buddhism instills a desire for simplicity. For them, less is more. There's also practical concerns: It's cheaper to be a minimalist. And because Japan is regularly beset by earthquakes, it doesn't always make sense to have a lot of valuable possessions lying around in your house. Nearly half of earthquake injuries come from falling objects.
