Modernism And The Spirit Of

Modernism and the Spirit of the City offers a new reading of the architectural modernism that emerged and flourished in Europe in the first half of the twentieth century. Rejecting the fashionable postmodernist arguments of the 1980s and '90s which damned modernist architecture as banal and monotonous, this collection of essays by eminent scholars investigates the complex cultural, social, and religious imperatives that lay below the smooth, white surfaces of new architecture.

Boyd Whyte. Psychology Press, 2003 - Architecture - 259 pages. 1 Review "This selection of groundbreaking essays offers a significant and long overdue reassessment of the aims and intentions of European architecture and urbanism over the period 1880-1960. It pursues those stimuli to human creativity ...

Modernism and the Spirit of the City - Google Books

Modernism is both a philosophical movement and an art movement that arose from broad transformations in Western society during the late 19th and early 20th centuries. The movement reflected a desire for the creation of new forms of art, philosophy, and social organization which reflected the newly emerging industrial world, including features such as urbanization, new technologies, and war.

The Spirit of Black Modernism | Public Books

In literature, visual art, architecture, dance, and music, Modernism was a break with the past and the concurrent search for new forms of expression. Modernism fostered a period of experimentation in the arts from the late 19th to the mid-20th century, particularly in the years following World War I.

Modernism | Definition, History, & Examples | Britannica

As an art historical term, "modern" refers to a period dating from roughly the 1860s through the 1970s and is used to describe the style and the ideology of art produced during that era. It is this more specific use of modern that is intended when people speak of modern art. The term "modernism" is also used to refer to the art of the modern ...
