Novothor Pod

NovoTHOR® is a whole body red light therapy bed that uses red and near-infrared light to treat injuries, reduce pain, relax muscles/joints, and increase blood circulation. Relieve sources of pain Drugs cover pain up by interfering with chemical signals. NovoTHOR actually treats the source of the pain, relieving muscular and joint pain.

NovoTHOR Whole Body Light Pod

The NovoTHOR Pod is a Class II Medical Device. It uses red and near infrared wavelengths that penetrate through the skin into the cells. This causes a chemical reaction in the mitochondria of the cells which leads to healing and tissue repair. Furthermore it releases a molecule that causes the blood vessel walls to widen.
