On China Henry Kissinger

In his book 'On China', Kissinger presents his own understanding of China and demonstrates the importance of this country's cultural framework when it comes to its leadership and foreign policy. It is a highly detailed book on his work in China as a diplomat of the US government so if you are looking for information on how US-China relations developed during his term in the government it is an invaluable source.

Kissinger's power play was based on the false hope that China had abandoned communism. Gary Allen described the Red Chinese as "unquestionably the bloodiest mass murderers in human history," adding, "Red China practiced a smiling and beguiling diplomacy toward the West, while serving as the world's major pusher of drugs."

Kissinger's "Red China Gambit" Is Killing America - News ...

Henry Kissinger reported to President Nixon that the Chinese military tried to intercept an American aircraft gathering intelligence 100 miles off the China coast. This, Kissinger noted, came as a surprise. He wrote, "Had they succeeded, they would have finished off the slight movement toward a Sino-U.S. thaw."
