Although bracero workers were supposed to return to Mexico at the end of their contracts, not all did. Many who returned to Mexico later emigrated to the U.S., aided by the experience and knowledge they had gained as braceros. Today, numerous families and communities can trace their histories to the bracero program. Más Allá De La Fronteras

The Bracero Program, which brought millions of Mexican guest workers to the United States, ended more than four decades ago. Current debates about immigration policy-including discussions about a new guest worker program-have put the program back in the news and made it all the more important to understand this chapter of American history.

Even some local Mexican Americans were wary of the new workers. En Los Estados Unidos El programa bracero afectó a las comunidades en todas partes de los Estados Unidos. Algunos pueblos organizaban bailes, misas en español y otros eventos sociales y comerciales para los braceros. Muchos braceros nunca regresaron a México.
