Set in London's Blackheath, Rattle by Fiona Cummins explores the seam of darkness that runs through us all; the struggle between light and shadow, redemption and revenge. It is a glimpse into the mind of a sinister psychopath. And it's also a story about not giving up hope when it seems that all hope is already lost.

Rattle | Mysite 1

RATTLE is among the most pointless and depressing mystery/thriller/suspense novels that I've ever read. The killer, a hospital worker, is a collector of human bones and skeletons that exhibit rare deformities (particularly fibrodysplasia ossificans progressiva).
