Download Free Remove Grill Instructions 2000 Ford Expedition

To begin, remove the top four screws with a Phillips-head screwdriver. These should come out easily. Also remove the two square-head plastic screws located on either side of the grill, using a star screwdriver. Feel across the bottom of the grille from the inside and note the location of the four remaining Phillips-head screws.

Chrysler 300 Front Grille Removal Instructions | It Still Runs

Thanks Rick! If you see above I finally got it and tried to put some steps. The grille assembly is pretty easy to get off - this is the top half of the grille that contains the emblem. For some reason on newer highlanders this part is TWO pieces. The grille assembly (easy to remove, top half), and the center grille (harder to remove, bottom half).
