The Aim Of The Business

A primary aim of every business is to provide value to their customers and make profits out of it. It states the purpose of business. Objectives of business organization state measurable targets of the business of how they achieve business aims. These must be SMART in order to achieve the objective of the business.

Aims and Objectives of Business Organisation - Commerce Mates

The Purpose of A Business. The purpose of a business is to offer value (through products and/or services) to customers, who pay for the value with cash or equivalents. Minimally, the money received should fund the costs of operating the business as well as provide for the life needs of the proprietor. Any money in excess of these needs of funding and salary—"margin" or "profit"—may be used to reinvest in the business; to be invested for future needs and security; and/or to be ...

The Purpose of A Business - Alan Weiss, PhD

An aim is where the business wants to go in the future, its goals. It is a statement of purpose, e.g. we want to grow the business into Europe. Business objectives are the stated, measurable targets of how to achieve business aims. For instance, we want to achieve sales of €10 million in European markets in 2004.

Aims and Objectives of a Business (GCSE) | Business | tutor2u

Every business aims to grow its sales and ultimately have a greater market share. If a business is not able to penetrate the market and secure some market share, it will ultimately fail. A market share ensures the survival and prosperity of a business by ensuring that there is always a demand for its products and services.

The Aims of Business Organisations | TechBullion

In the simplest terms, business development can be summarized as the ideas, initiatives and activities aimed towards making a business better. This includes increasing revenues, growth in terms of...

Business Development: The Basics - Investopedia

Peter Drucker famously wrote in The Practice of Management that the purpose of a business is to create and keep a customer. While that may indeed be true, it's the bare minimum and something that's required to keep the doors open (unless you're VC funded.) I think to aim there as the purpose of a business is to shoot terribly low.

The Purpose of a Business - Duct Tape Marketing

The primary purpose for starting a business is usually financial. Many people who are dissatisfied when working for someone else, or who have been involuntarily laid off, start their own businesses to support themselves.
