### The Eyes of the Dragon (TV Series) - IMDb

The Eyes of the Dragon, as far as I can tell, is one of King's early departures from writing straight-up horror. It's not a horror story at all -- instead, it's fantasy set in a far-off kingdom, where an evil magician is determined to thrust the land into chaos and bloodshed in order to satisfy his own dark purposes.

### The Eyes of the Dragon by Stephen King - Goodreads

The Eyes of the Dragon was the very first Stephen King Novel I ever read, and neither its style, nor its setting, are what the majority of his books conform to, though as time goes on, King seems to be just as comfortable branching off into other sub-genres of horror/suspense. The Eyes of the Dragon, however, is just a straight-up Fantasy Novel.

Eyes of the Dragon is Steven King's first departure from Horror into the realm of Epic Fantasy. It is different from King's standard fair and I admit I only picked this up because the book's principal antagonist, Randal Flagg, later reappears in King's Dark Tower series. That said, I was very impressed with what I found here.
