The Islamic State: Combating the Caliphate Without Borders This book, published in September 2015, offers insights into the nature of the IS and what the international community can do to combat it. In order to achieve this objective, the origins, intentions, leadership, capabilities, and operations of the IS are explored.

The Islamic State: Combating the Caliphate Without Borders ...

Abstract: The Islamic State has recovered from its territorial defeats since 2017 to mount a strong and sustained resurgence as an insurgent force inside Iraq. A new analysis of attack metrics from the past 18 months paints a picture of an Islamic State insurgency that has regained its balance, spread out across many more areas, and reclaimed significant tactical proficiency.

Abstract: There has been an apparent shift in the Islamic State's position on whether or not women can participate in combat. While female suicide bombers were used extensively by the Islamic State's predecessor group, al Qa`ida in Iraq, the Islamic State strictly mandated that women should be wives and mothers rather than fighters.
