The Jaguar E Type 38

The Jaguar E-Type, or the Jaguar XK-E for the North American market, is a British sports car that was manufactured by Jaguar Cars Ltd between 1961 and 1975. Its combination of beauty, high performance, and competitive pricing established the model as an icon of the motoring world. The E-Type's claimed 150 mph (241 km/h) top speed, sub-7-second 0 to 60 mph (97 km/h) acceleration, unitary ...

Jaguar E-Type - Wikipedia

The E followed both the C and D types, although these latter two models were purely sports racing cars while the E-type was designed more as a replacement for the XK150, although there was some overlapping to begin with, for even as Jaguar's latest sports car was being launched, the E1A, as the prototype was called, was being conceived.
